

Participate in a **Research Study** on **Vestibular Schwannoma**

You may be able to participate if:

- You have been diagnosed with a **Vestibular Schwannoma**
- You decided to undergo a period of **observation** to monitor your vestibular schwannoma. (“Active Surveillance” or “Watchful Waiting”)

Participation in this study will involve:

- A 30-minute telephone interview about your decision to monitor your vestibular schwannoma
- A \$20 payment for completion of the interview

To participate, fill out the screening survey by clicking [HERE](#)
Or copy and paste the following URL into your web browser:
