The ANA's Newest and Updated Publications

- ***Hearing Loss Rehabilitation for Acoustic Neuroma Patients (Revised/Updated May 2022)***
Hearing loss is the most common disability in acoustic neuroma patients and impacts one's quality of life. This booklet can help you understand options for pre-treatment hearing preservation as well as the many rehabilitation options available for both bilateral and unilateral hearing loss.
- ***Newly Diagnosed Handbook (Published Feb. 2022)***
This handbook is intended to help people who are newly diagnosed with acoustic neuromas navigate what is often an overwhelming amount of information related to the diagnosis and treatment of this benign brain tumor.
- ***Acoustic Neuroma: Understanding Emotional, Cognitive and Behavioral Changes (Published June 2021)***
This educational booklet to help you understand the emotional, cognitive and behavioral changes associated with AN and provide you with information about what you may be experiencing and offer strategies to help you manage your symptoms and concerns.

Booklets are free to ANA members. You can view the electronic version in the [Member Section](#) of the ANA website or [contact us](#) to request the print version. If you are not an ANA member, [join today](#) or [order](#) the booklets only for a small fee.

Resources for Young Adults with Acoustic Neuroma

- [Young Adult Facebook Group](#)
This is a closed group moderated by ANA Staff and Volunteers. <https://www.facebook.com/groups/ANAYoungAdults>
- [Young Adult Online Support Group](#)
The group meets several times a year via Zoom and is moderated by ANA Peer Mentors. For more information, contact: Emily Truell, Peer Mentor, emily@lacampground.com
Melanie Hutchins, Manager, Volunteer Programs, volunteers@anaua.org.
- [Peer Mentor Program](#)
Peer Mentors are volunteers who are acoustic neuroma patients and caregivers that are willing to talk about their acoustic neuroma experience. They provide information, encouragement, and support to other acoustic neuroma patients via telephone and email. A list of peer mentors is provided in our free patient kit, or contact us to request a peer match today.

Support Group Meetings

The ANA offers a variety of support groups so that you can find what is best for you and your situation, including:
40 Geographic groups across the U.S. / Specialty support groups* / Co-sponsored support groups

All Support Group meetings are free and open to anyone affected by acoustic neuroma, we look forward to welcoming you at a meeting soon. When you are ready, we are here. Visit the [ANA website](#) for more information and to find a group.

[Team ANA - Fundraise for the ANA!](#)

- Individuals who increase awareness of acoustic neuroma while raising funds for the ANA are considered members of Team ANA.
- Join Team ANA and create your own fundraisers through Facebook, Walk4Hearing, or any individual fundraiser held locally.
- Contact Melissa Baumbick at development@anausa.org if you are interested in establishing a team and raising funds for ANA!

[ANA Legacy Society](#)

Philanthropic support is critically important to fulfilling the mission of the ANA. Our Legacy Society represents unique, exceptionally generous contributors who have included the ANA in their estate plans. This forward-looking philanthropy will have a remarkable impact on the future of the ANA. We are so very grateful for the commitments made by our Legacy Society members.
