Are hearing aids no longer meeting your needs?

Join the Pacific Neuroscience Institute and MED-EL
for an informative and supportive evening dedicated
to individuals exploring cochlear implants as the
next step in their hearing journey.

What You'll Experience:

- ✓ Meet Dr. Courtney Voelker, MD PhD and Dr. Becky Lewis, AuD, as they walk through what to expect before, during, and after implantation
- ✓ Learn about MED-EL's latest innovations in cochlear implant technology
- ✓ Hear real stories from CI recipients who've regained meaningful hearing
- ✓ Get answers to your questions in an open and welcoming environment
- ✓ Enjoy light refreshments and connect with others on the same journey

Registration: <https://forms.office.com/e/w3xqAkTTsF>

We look forward to seeing you there and supporting
you through the next step in your hearing journey.
